### ***Congratulations on being selected as one of the Top 5 Teams in the GCCA Team of the Year Competition!***

This final round of competition involves making a portfolio OR video to show why your team deserves this top honor. Please review the requirements and rubric carefully. (Note: Certain segments of the rubric were fulfilled in round 2.) Have a GREAT time with your team putting together this video or portfolio.

*GET CREATIVE and HAVE FUN!!!*

#### **Georgia Team of the Year Video Requirements:**

The team may elect to submit a video; which includes the three required sections below. Videos should not exceed 6 minutes in length; therefore, it is recommended that all sections be addressed equally and in the following order (times are suggested, but not mandatory). Videos should be sent in DVD format OR via YouTube link and received no later than **February 5**.

*Quick Tip: Think of this as your end of season video and use footage from throughout the year. Seek input from all team members! See this example: <http://youtu.be/WxbouzEOi54>*

#### **Georgia Team of the Year Portfolio Requirements:**

The team may elect to submit a portfolio; which includes the three required sections below. Portfolios do not have a size limit, but must be received by **February 5**. Because the portfolio may be compared to teams that elect to make a video instead, it is imperative that you have solid evidence of your technical skills, sportsmanship, and community involvement in order to receive points in those areas.

*Quick Tip: Think of this as your annual team scrapbook... and have fun with it – so delegate, delegate, delegate!*
